

# Connects

Dear fellow parents,

Have you been eagerly waiting for our newsletter? August was a particularly busy month for us. Not only were we involved in recess activities but we were also busy preparing for one of PATH's major events - Teachers' Day Celebration! Read on for the details of the happenings in the second half of Term 3.

## EL Alive Week (1-4 August 2023)

Each storytelling session was conducted by different PATH ICs and members in unique ways. We had a mommy who dressed up as a princess, a daddy who took leave from work to tell stories, and children who participated in the storytelling by reading parts of the story. It warmed our hearts to see the young audience giving their fullest support to their friends who participated in the storytelling.

### Storytelling @ Library

Tangled Tale Boards - PATH members put up the creative submissions from the children on the superhero powers they wish to possess.

## Let's Progress "Onward as One" (7 August 2023)

For National Day activities, PATH members facilitated Kahoot games in the library and Word Search games in the MPH. These games tested the children's knowledge of Singapore in conjunction with National Day.

## Clean Plate Campaign (25, 28, 29, 30 August 2023)

Together with the Environment Champions, PATH members encouraged the children to finish their food during recesses. As an affirmation to their efforts in reducing food wastage, stickers were awarded to children who finished all the food on their plates. It was such a rewarding experience to instill the habit of mindful eating in the children.

## Active Play / Recycling Wednesday (Daily scheduled)

Join us in the field for Active Play or embark on the journey of recycling and sustainability with our Mee Tohians every Wednesday. We are excited to welcome new parents to our community! Don't miss out on the fun and valuable learning.

## Teachers' Day (30 August 2023)

Every year, PATH puts up a special performance for the school celebration. We take this opportunity to extend our appreciation and gratitude to the teachers who play such a vital role in educating our children. A special shout-out to the parents and children who dedicated three Saturday mornings to practise, record the song and video, and prepare the props. This year's gift for all the teaching and non-teaching staff is a customized shopping bag.

We are immensely grateful for everyone's support in ensuring the events and activities are carried out in a safe manner. It's wonderful to have you with us!

Tokens given out during Examination Blessing 2023

To our P6 parents, we wish your child the very best in the upcoming PSLE! Do sign up as volunteers for the Swim Safer activity that will take place after PSLE.

Get ready for an exciting Term 4!  
Stay tuned to our broadcasts on  
PATH Telegram!

Yours sincerely,  
PATH EXCO 2023
